"Your Single Source for ALL Your Loading Dock Needs"

PERMA AIR RAIL

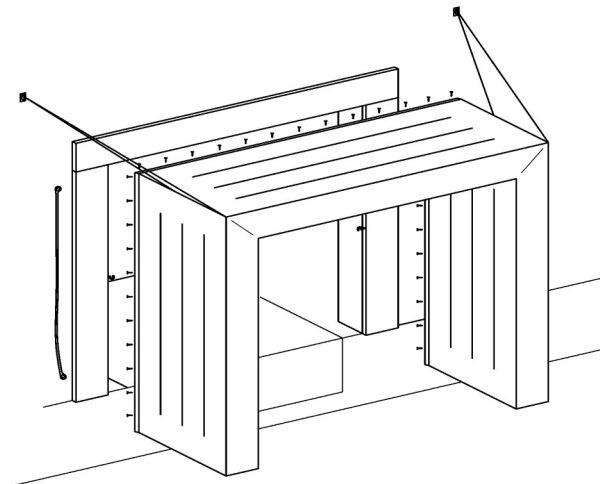

FEATURES AND OPTIONS

- Heavy-duty 14oz. vinyl coated polyester reinforced fabric makes up the multi-chambered inflatable air shelter
- Upgrade to 18oz Vinyl
- Several color choices are available
- High-volume blowers inflate the shelter quickly and maintain the shelter in the extended position
- When retracted and secured with the tie-back straps the unit only projects several inches from the building wall
- Available in three & four sided models
- 16ga. Formed galvanized steel framing available
- Available Leviton 15/20A Heavy Duty Switch with a 3 hole 1/2" or 3/4" Plastic Wet Location Outlet Box with Toggle Switch Cover and Toggle switch cover

TRACK & TROLLEY SYSTEM

Heavy duty track & trolley system utilizes an enclosed "U" shaped zinc-plated steel track and steel wheeled trolleys with permanently lubricated stainless steel wheel bearings to suspend and support the inflated shelter.
