PORTABLE SAFETY ZONE FEATURES

- The Portable Safety Zone design utilizes features representing the breakthrough in 'ease of use' barrier systems.
- Light weight and balanced for easy transportation by one operator.
- Robust construction in 'safety orange' powder coated steel.
- The Portable Safety Zone comes complete with 100' safety orange fencing, 4 posts, 4 rubber base pads and 4 magnetic fence clips.
- The unique fence locking system ensures a sturdy fence assembly.
- Easily fits through 30" doorways.
- Suitable for both indoor & outdoor applications on smooth surfaces.
- Optional LED beacons create a clear awareness of the Portable Safety Zone location in low light conditions.

PORTABLE SAFETY ZONE OPERATION

- Manually transport the Portable Safety Zone to the required location on the integrated mobile frame.
- Position the posts/base pads and/or magnetic clips at the desired location.
- Unlock the fence and extract around the posts.
- Lock the fence in position.
- Follow these steps in reverse to retract the fence and move to another location.

Overall size: 27" deep x 25" wide x 54" high
 Approximate weight is 256lbs
