

Perma Tech Inc.

"Your Single Source for ALL Your Loading Dock Needs"

THE COMMANDER

Perma Soft-sided Shelter with Wood Frame Header

The Commander is a resilient design to handle lift gates and other specialty trailers with fully impactable side frames, rigid header and allows for full access to the trailer.

FEATURES AND OPTIONS

HEAD FRAME:

Rigid, self supporting 2" x 6" pressure treated lumber, peaked at center and is covered with translucent fiberglass to allow light in the loading area.

SHELTER HEAD CURTAIN:

Choice of many heavy duty fabrics, and Perma Pleat wear flaps on each side at truck contact areas.

SIDE FRAME:

Foam filled side pads, high density full memory 55 lb. foam with 2" x 6" or 8" wide pressure treated back boards.

Option: 16 gauge steel backing available

SIDE CURTAINS:

Same fabric as head curtain. Extra wear area on bottom of curtains at critical truck contact areas. Easily removed in summer (to reduce wear) or to replace

FOAM EDGE:

Fabric covered foam strip on leading edge of side curtains for a snug fit against trailer sides.

GUIDE PATCH:

18oz yellow guide patch that is 12" tall and are placed 9' on center for accurate truck positioning.

BOTTOM DRAFT CUSHIONS:

Designed for an improved seal at the bottom of the shelter behind the side curtains. Independent of the side curtains for easy and economical replacement.

DECLINE OR INCLINE:

Tapered dock shelter projections are available to accommodate inclined or declined approaches.

OPTIONS:

Perma Gap Hooks: Extruded plastic hooks attached along the exposed vertical edge of the side curtains. Reduces air filtration and light around truck doors.

Rigid head frame is peaked to prevent snow and water build-up and covered with white vinyl to allow light in.
