Perma Sliding Curtains

Perma Sliding Curtains are a cost-effective and versatile alternative to building fixed walls when dividing a large space into several smaller spaces.

Compared to constructing fixed walls, that may require plans, permits, and approvals, curtains can be installed at any time. Curtains can provide greater operational flexibility because they can open, close and be reconfigured as needed.

FEATURES:

- Fast and easy to install
- Provides safety barrier to protect your personnel and products
- Isolate work environments to maintain temperature control
- Separates area to control noise, light and weather
- Used to protect equipment, inventory and personnel
- Containment of dust overspray, welding spatter and smoke

OPTIONS:

- Various fabric weight and colors
